You will need to provide the following things.

All items must have your child's name clearly labeled. :

- 1 pack of Baby Wipes, to be replenished as needed
- 1 pack of Kleenex tissues

- 1 can of formula, to be replenished as needed. Or, 1 day supply of breast milk, to be replenished daily
- 1 milk bottle and 1 water bottle (pacifiers if applicable) [Labeled]
- 1 complete change of clothing (more if we are toilet training) to be left here.
This includes shirt, pants, socks, and underwear.
Soiled clothing will be sent home and a new change of clothes will need to be brought back the next day.
- Proper weather appropriate outerwear for outside play including a pair of outdoor easy put on shoes
- 1 small blanket (twin size) and 1 small stuffed animal/Doll to be used during Nap Time, blanket will be sent home on a weekly basis for laundering
- Swimsuit, towel, and sunscreen (will need authorization to apply) for summer months
- Any over the counter medication that you may wish to be used. This includes any diaper rash cream or teething medication. Even though (medical) supplies will be kept in my home, I will NOT give them to your child unless written permission is given. You may have the option of filling out a medication permission slip upon enrollment. That way I can go ahead and give them some medication, should the need arise, then write the administration on the form. Remember, I will always ask your permission before administering any medication.

NOTE: The option of leaving these items here is for your convenience, they are not required. However, all of the above items are required for us to care for your child. If the items are not left here, they will need to be brought daily in a diaper bag. If your child does not have the required items for care, he or she will be sent home.

You will be notified in advance when supplies need to be replenished.

Thank you for your cooperation!
